**AUTOMOTIVE:** I have a 97 VW Jetta that needs muffler work . . . and I was wondering if you have any availability time over the next two days?

**PLUMBING:** Food disposal not working, dishwasher not working, loose pipe under kitchen sink, poor drainage in kitchen sink. Can someone come on the morning of the 20th of June?

**UPHOLSTERY:** Would you kindly provide us an estimate on refinishing a 10-piece dining room set? The pieces consist of: 1-54" diameter expanding circular table with 4 leaves (11"x54" each) . . . I've attached a 448 kb file, with images optimized for screen viewing . . . If there's a matter of time, we're much more interested in quality work at a decent price than having one or all the items completed quickly.

**PIANO LESSONS:** I am a very eager piano student and am looking for a savvy teacher to instruct me once a week, at my house in Fairfax Station. Cost is not my concern. I am more concerned about finding a compatible teacher who can quickly guide me and teach me to play like a pro.

**DANCE SCHOOL:** My daughter is 11 and I am wondering if you have a tumbling class for her. She is quite accomplished (multiple back handsprings, back tucks, back pikes, etc.). If so, what is the fee and what time are the classes. Thanks.

**FENCE INSTALLATION:** I would be interested in getting an estimate for the installation of a fence around our home in Leesburg. Please contact me at this email address or at 703...

**LANDSCAPING:** We rebuilt our home in Alexandria, which included leveling off the back yard. We want the back yard to be functional for the two boys - 14 and 10 - but also love flowers, trees and privacy. We are currently faced with a large expanse of nothing and need some ideas. Is that something you can help with?

**LOCKSMITH:** I am wondering how much it would cost to replace my front door lock and deadbolt lock (same key). Thanks.

**TREE SERVICE:** I have 2 large trees that need to be removed as well as trimming the other trees and removing some shrubs. Please let me know if you can do it Sat. June 28. Thanks

**CLOTHING:** I was wondering if you have a catalog that you send out. I live in Oklahoma and my sister-in-law has purchased many things from Keedo. I would love to be able to do the same. I love Keedos' clothing. If you do have a catalog, please let me know.

**KITCHEN REMODELING:** My basement flooded after the heavy snow and rain this winter and we have just completed waterproofing and painting. We have a kitchen in our basement area and need to replace all of the kitchen cabinets. We would like someone to come to our home and give us an estimate on the kitchen cabinets along with some other decorating ideas for our kitchen on the main level.

**REAL ESTATE:** My husband is considering a job offer at Bolling AFB. We now live in Louisville, Ky., and would like information on houses near the base. He would like to keep his drive to work under one hour. Please send us any information that you may have on a home with at least three bedrooms under or at \$200,000.00.

**DOG BOARDING:** Do you have space available for the Thanksgiving weekend for a 55lb. dog? Is there a holiday surcharge?

**RESTAURANT:** Could you please email or fax me a menu if available. Thank you.
